

Eshan Ahammed

MERN Stack Web Developer

📍 Dhaka, Bangladesh | 📞 +8801303694937 | ✉ 3shaan.dev@proton.me | [in LinkedIn](#) | [GitHub](#) | [Portfolio](#)

I am an industrious, self-assured, and passionate MERN Stack Developer with an insatiable curiosity for cutting-edge technologies. My unwavering dedication drives me to craft web solutions that are both intuitive and brimming with advanced features. I possess an innate ability to rapidly absorb new knowledge, constantly striving to broaden my horizons. My aspiration is to make substantial contributions to many ambitious, large-scale projects in the future.
